Pioneer’s Grand Carnival scales new heights

by Spotlight Newsroom — September 27, 2024 in Colonie Reading Time: 1 min read

COLONIE – Pioneer Bancorp Inc., a leading financial institution in New York’s Capital Region, hosted its fifth annual Grand Carnival, welcoming 900 children, adults, and families to Pioneer Plaza and raising more than \$60,000 to help local children in need.

The event, conducted by the Pioneer Charitable Foundation, offered games, activities, food, and fun for the entire family. Now in its fifth year, the Grand Carnival has collectively raised more than \$175,000 to assist nonprofit organizations that support the health and welfare of local children, in line with the foundation’s mission of “Helping Kids be Kids.”
